

OUTLINE OF DISCUSSION POINTS MEDICAL MARIJUANA ESTABLISHMENTS LABORATORIES

This document accompanies the document titled “NRS – NAC Provision Chart.” It specifies the line numbers within that document that are applicable to the meeting concerning medical marijuana establishments that are laboratories.

- Line 30, p. 16
 - Specifies the prohibitions on financial interest in an independent testing laboratory
 - Requires a laboratory to have a scientific director and specifies the role of this director
- Line 31, p. 17
 - Specifies the qualifications of a scientific director
- Line 32, p. 17
 - References the quality assurance standards a laboratory must use
 - Allows for an independent third party to assess the analytic testing methodologies used by the laboratory
 - Specifies the requirements of a laboratory
- Line 33, p. 17
 - Authorizes the Division of Public and Behavioral Health to audit and inspect the practices of the laboratory
- Line 34, p. 18
 - Specifies the monograph that a laboratory is required to follow
- Line 35, p. 18 and p. 19
 - Specifies the quality assurance tests required for marijuana and marijuana products
- Line 36, p. 19
 - Specifies requirements if a lot of usable marijuana fails a quality assurance test

Beginning on p. 60 through 62, lines 80 through 84, the language repeats. This redundancy is necessary to ensure the Division has captured all of the applicable sections of the bill within the regulations set.
